

Magnolia Wind

Chords And Lyrics

By John Prine/Emmylou - (Guy Clark)

Intro – C

C G
I'd rather sleep in a box - like a bum on the street
F G
Than a fine feather bed - without your little ol' cold feet
C G
And I'd rather be deaf- dumb and stone blind
F G C
Than to know that your mornings - will never be mine
G
And I'd rather die young - than to live without you
F G
I'd rather go hungry - than eat lonesome stew
C G
You know it's once in a lifetime - and it won't come again
F G C
It's here and it's gone - on a magnolia wind

A+ F C
I'd rather not walk - through the garden again
G C
If I can't catch your scent - on a magnolia wind

Break – C-G-F-G C-G-F-G-C

C G
If it ever comes time - that it comes time to go
F G
Pack up your fiddle - Sis' pack up your bow
C G
If I can't dance with you - then I won't dance at all

I'll just sit this one out - with my back to the wall

I'd rather not hear - pretty music again

If I can't hear your voice - on a magnolia wind

Break -C-G

If I can't catch your scent - on a magnolia wind
