Who shall say that Fortune grieves him While the star of hope she leaves him ?  
Me , nae cheerfu' twinkle lights me, Dark despair around benights me.

I'll ne'er blame my partial fanc; Nothing could resist my Nancy;  
For to see her was to love her, Love but her, and love for ever.

Had we never loved sae kindly, Had we never loved sae blindly  
Neve met --- or never parted. We had ne'er been broken - hearted

Fare thee weel, thou first and fairest ! Fare thee weel, thou best and dearest !  
Thine be ilka joy and treasure, Peace, enjoyment, love and pleasure

Ae fond kis, and then we sever ! Ae fare weel, alas, for ever !  
Deep in heart wrung tears I'll pledge thee, Warring sighs and groans I'll wage thee
