

I See A Darkness chords by Bonnie 'Prince' Billy

CHORDS

These are the chords and lyrics should be close enough to correct with regard to Bill's re-released version of I See A Darkness as heard on the EP "Now Here's My Plan." You can hear it on youtube at: [watch?v=d-xSxWX7_-4](https://www.youtube.com/watch?v=d-xSxWX7_-4)

In that recording, it is played in the key of G#, I believe, but since I like to play things simply when I first learn them, here's the song in C. Enjoy!

[Intro]

F - C
F - C - C

[Verse]

Am C F
Well, you're my friend, (that's what you told me)
C F
And can you see (what's inside of me)
Am
Many times we've been out drinking F
And many times we've shared our thoughts
Am F
But did you ever, ever notice, the kind of thoughts I got
Em Am F
Well you know I have a love for everyone I know
Em Am F
And you know I have this drive to live I won't let go
Am F
But could you see its opposition comes arising up sometimes
Am F
That its dreadful imposition comes blacking in my mind

[Chorus]

C
And then I see a darkness
F
And then I see a darkness
C
And then I see a darkness
F
And then I see a darkness
C
And did you know how much I love you
