

# Octopus' Garden - The Beatles

introduction: four bars of G major

## chorus

G            Em  
I'd like to be - under the sea  
         C                            D7  
in an octopus' garden - in the shade

## verse

G            Em  
He'd let us in - knows where we've been  
         C                            D7  
in his octopus' garden - in the shade  
Em  
I'd ask my friends - to come and see  
C            D7  
an octopus' garden with me

## chorus

G            Em  
I'd like to be - under the sea  
         C                            D7  
in an octopus' garden - in the shade

## verse

G            Em  
We would be warm - below the storm  
         C                            D7  
in our little hide away beneath the waves  
G            Em  
resting our head - on the sea bed  
         C                            D7  
in an octopus' garden - near a cave

Em  
We would sing and dance around

Because we know - we can't be found

## chorus

G            Em  
I'd like to be - under the sea  
         C            D7                            G  
in an octopus' garden - in the shade

### verse

G                      Em  
We would shout - n' swim about  
C                                      D7  
The coral that lies beneath the waves  
G                      Em  
oh what joy - for every girl and boy  
C                                      D7  
Knowing they're happy and they're safe  
Em  
We would be - so happy you and me  
C                                      D7  
No one there to tell us what to do

### chorus

G                      Em  
I'd like to be - under the sea  
C                      D7                      Em  
in an octopus' garden - with you  
C                      D7                      Em  
in an octopus' garden - with you  
C                      D7                      G  
in an octopus' garden - with you

**finish on a G major chord**
